

Teacher of Mathematics

This is an exciting opportunity for an outstanding Mathematics graduate to join our thriving department. We are looking for an enthusiastic qualified graduate with high academic standards to ensure the continued strong performance of the department.

Job Purpose

The successful candidate will join a large and thriving Mathematics department working alongside passionate and committed colleagues. The department teaches Edexcel GCSE, IB Diploma A&A HL, A&A SL, A&I SL and Edexcel A Level Mathematics and Further Mathematics and this gives colleagues many opportunities for professional development within the department. The role involves teaching Mathematics throughout the Senior School, up to and including the Sixth Form.

Furthermore, all teaching staff are expected to participate fully in the wider life of the School through co-curricular and House involvement and as a form tutor. We are proud of our holistic approach to student learning.

The Senior Leadership Team are highly supportive of the Mathematics Department and appreciates its value to the school and the students.

Report to

Head of Mathematics

Key Responsibilities

Teacher of Mathematics

- To be an effective classroom teacher who can share good practice;
- To plan and prepare interesting and engaging lessons;
- To maintain an orderly, positive and purposeful classroom atmosphere;
- To make a contribution to departmental schemes of work;
- To assess, record and report on the development, progress and attainment of students;
- To help develop students as independent learners.

Other

- To safeguard the general health and safety of students.
- To promote the general progress and well-being of individual students and of any assigned group of students.
- Most teachers are form tutors and this is a core part of their responsibilities
- All teachers are members of a House and attend House Assemblies and Sectionals
- To communicate and consult with parents.
- To participate in all relevant meetings.
- To undertake supervision and cover duties as required.
- To contribute to other aspects of education outside of the classroom e.g. sports, clubs and visits.
- To respond positively to reasonable requests from the line manager and to embrace opportunities and challenges.

Person Specification

- Degree in Mathematics or a closely-related discipline.
- We will enable teachers to undertake a PGCE or complete their ECT years as necessary.
- The successful candidate will show a commitment to the success of every student studying Mathematics in the School and should possess a willingness to help students outside the normal teaching day.
- They will be a perceptive and reflective practitioner in the classroom, committed to promoting academic excellence and embracing innovative teaching techniques.

- A dynamic communicator who has a demonstrable enthusiasm for their subject and a proven ability to inspire and motivate pupils at all stages.
- Able to demonstrate a good understanding of current educational thinking and of likely future developments in the subject area and to be aware of the wider relevance of Mathematics across the curriculum.
- Have an approach to work and collaborating with others that is flexible and enthusiastic.
- The successful candidate will be someone who understands the value of a good humoured and ethical approach to working with others, knowing that the culture we embody is the one we create.

To find out more about this role please contact the HR Department at recruitment@brentwood.essex.sch.uk who will be able to put you in touch with the Head of Department, Libby Warnes.

Safeguarding

To be committed to the safeguarding and promotion of the welfare of young people. To demonstrate this commitment in every aspect of this post. To adhere to, and ensure compliance with, the School's Safeguarding Policy at all times. You are required to report any safeguarding or child protection concerns to the School's Designated Safeguarding Lead.
